PERFORMANCE

Naghsh Noor Arvand is a company manufacturing modern interior and exterior wall coverings for buildings based on the main material of cement, suitable for various climates such as hot and humid conditions.

Features of our products:

*** One of the most important features of our product is their resistant to sunlight and heat without any changes in the product.**

These products are also highly resistant to cold and heat both in indoor and outdoor conditions.

*** Impactable, drillable, and screwable**

*** Can be cut to any size by stone cutting machine**

*** Capable of wet and dry installation.**

*** Two different compositions and formulas for interior and exterior coverings.**

*** Different colors and shades, and customised colors.**

*** Wall coverings, due to the special nano coating, can be washed, for they are resistant to rain and moisture.**

*** Manufactured in dimensions of 20 * 10 ,20 * 20 ,50 * 50 ,40 * 40 and 2.40 * 1.20 square meters, also a request for customization for products is reviewed and is possible.**
